

Device Insurance & Repair/Replacement Costs

There is NO INITIAL COST TO FAMILIES FOR THE CHROMEBOOK. Students, however, are responsible for the care of their devices and all related accessories. Parents agree to pay the cost for the repair or replacement of the device. The most common parts and their approximate costs are:

- LCD Screen: \$70
- Charger/Adaptor: \$15
- Keyboard: \$22
- Full Chromebook Replacement: \$250

To protect families from these potential costs, we have created a "Protection Policy." For an annual (per school year) cost of \$20 per device, your student's device will be protected as follows:

Annual Deductible Schedule

- On the first accidental damage claim in a school year you pay \$ 0
- On the second accidental damage claim in a school year you pay \$25
- On the third accidental damage claim in a school year you pay \$25
- If the device is stolen, you pay \$50 (with police report)
- If the device is lost, you are responsible for the full replacement cost

Parents/Students will be charged for the full replacement cost of a device that has been damaged due to intentional misuse or loss.
