SIGN UP TODAY!

Hello Parents,

This year, Calvary Academy has partnered with Vertical Raise to provide an easy fundraising solution for Jump Day! Vertical Raise is a personalized online donation-based campaign that has simplified the way teams, groups and schools raise money. This streamlined process is extremely effective, designed to be easier for everyone involved!

All students who raise a **minimum of \$50** will be invited to participate in **JUMP DAY at Bounce Tag on Friday, September 12, 2025!** Our new buses allow us to safely transport the students to get in their jumps for the fundraiser in a fun, safe environment.

This fundraiser offers families an opportunity to earn credit toward tuition. Calvary Academy applies a portion of the total pledges collected to your student's tuition account as explained in the information below.

EARN TUITION CREDIT:

- **Raise up to \$500 – Receive 10% profit towards your student's tuition account**
- **Raise \$500 – Receive 25% profit towards your student's tuition account**
- **Raise \$1000 – Receive 30% profit towards your student's tuition account**
- **Raise \$2000 – Receive 50% profit towards your student's tuition account**

All we ask is that each parent/guardian help their child/children gather **30 or more phone numbers and/or email addresses of their biggest supporters. For example: grandma, grandpa, aunts, uncles, family friends, church family, co-workers, etc.** Texts/emails will be sent to these potential donors a couple times throughout the campaign where they can view the group's fundraiser page and decide if they want to donate or share. Our automated text system allows you to send out a maximum of **50 texts and 100 emails** per account, so take full advantage of it. The earlier you enter your contacts, the more reminders your donors receive, and the more donations received!

The donations raised in this fundraiser also allow us to continue to improve our school! So many great renovations and additions to the Academy have been made possible through generous donations and fundraising.

Students are allowed to be out of uniform for this day (no charge) and must follow general guidelines as described in the student handbook. All students are permitted to wear non-spandex shorts no more than 2 inches above the knee and should wear appropriate shoes.

Please contact Calvary Academy's Vertical Raise Rep, Kyle, with questions.

Message from Vertical Raise:

When completes a donation, a **"Tip Vertical Raise" option is offered.** This tip goes towards VR platform enhancements and bug fixes. We want to make this clear that it **does not** go to Calvary Academy OR our rep Kyle. This is **OPTIONAL**, so Kyle actually encourages everyone to **tip \$0.**

Safe & Protected: Vertical Raise is the safest online donation platform available. All information & contacts are private, 100% secure and will never be redistributed.
